

Letter of apology to the residents of New Brunswick and Peterborough

Peterborough, ON | Tuesday June 2, 2020, To the residents of New Brunswick and Peterborough, I would like to offer my sincerest apologies for my recent trip to New Brunswick in the month of May.

I take my role as a City Councillor very seriously and do not consider that to provide me with any special privileges. I made an error in judgement by travelling to New Brunswick during this pandemic. My over zealous approach to research the restaurant sector in the anticipation of reopening our economy, and for that I am truly sorry.

To Premier Higgs, and the residents of New Brunswick who have not been able to return home to be with their loved ones during to this unprecedented pandemic; I receive your criticisms and hope you accept my deepest regrets.

I will have no further comment on this matter.
