

*We are a 'group of seven' yarn shops nestled in picturesque cottage country, the ideal setting for a relaxing road trip through the back roads of Ontario. From shimmering shorelines to towering pine forests, quiet historic villages, wide open farmlands and breathtaking vistas at every turn of the road, this is where summertime begins....*

Bring along your passport and have it stamped at each of the shops listed between June 11th - September 6th 2022. Drop off your passport at the last shop on your crawl to be entered in our GRAND PRIZE DRAW! If you can't make it to every shop before September 6th, you may still drop off your partially-stamped passport at the last stop on your crawl for a chance to win the runner up prize. Pick up your FREE knitting pattern (*with yarn purchase*) and create a lasting souvenir of your summer adventure.

*Happy Crawling!*

*Discover a mystery letter at each of the 7 shops to unscramble our SCAVENGER WORD HUNT & receive an extra entry ballot in our DRAW.*
